

Innovation Workshop: PART 2

Join our technical experts for Part 2* of the Innovation Workshop program where we will take your knowledge of Schluter’s products and systems to the next level.

*To participate in Innovation Workshop Part 2, you must have completed Part 1 of the series.

Montreal, QC.

October 4-5, 2023

Montreal Training Facility –

21100 ch Ste-Marie, Ste-Anne-de-Bellevue, QC H9X 3Y8

This two-day workshop includes classroom instruction, live demonstrations and practical hands-on activities.

Learn how to:

- Build a curbless shower
- Build a custom vanity Schluter®-KERDI-BOARD
- Install a Schluter®-KERDI-LINE drain
- Install DITRA-HEAT floor warming
- And more!
