

Innovation Workshop: PART 2

Join our technical experts for Part 2* of the Innovation Workshop program where we will take your knowledge of Schluter’s products and systems to the next level.

*To participate in Innovation Workshop Part 2, you must have completed Part 1 of the series.

Surrey, BC

December 4-5, 2024

Schluter Training Centre Surrey

105 – 3237 190th Street Surrey, BC V3Z 1A7

This two-day workshop includes classroom instruction, live demonstrations and practical hands-on activities.

Learn how to:

- Build a curbless shower
- Build a custom vanity Schluter®-KERDI-BOARD
- Install a Schluter®-KERDI-LINE drain
- Install DITRA-HEAT floor warming
- And more!
