Innovation Workshop: PART 1

In Innovation Workshop—Part 1, we will introduce you to the world of Schluter®-Systems and give you a solid overview of the applications where our products are most often used.

Victoria, BC

October 30-31, 2024

Delta Victoria Ocean Pointe Resort
100 Harbour rd, Victoria, BC V9A 0G1

ITINERARY

DAY 1 7:30 am – 4:00 pm
DAY 2 7:30 am – 4:00 pm

Lunch served on location
Dinner provided on Day 1

Meals are compliments of Schluter®-Systems

This two-day workshop includes classroom instruction, live demonstrations and practical hands-on activities.

Learn how to:

- Prevent tiles from cracking with Schluter®-DITRA
- Protect tile edges with Schluter® profiles
- Provide effective moisture management using Schluter®-KERDI
- And more!

***Please note accommodations are provided to those living an hour or more away from the workshop location.**
